

Announcements for Monday, Mar. 4, Math 1553 A5-A8

- Midterm 2 (this Friday, Mar. 8) covers 3.6 through 4.5. Past material is fair game as it applies to 3.6 through 4.5.
- We have **two** homeworks due this week: the **4.4 and 4.5** Webworks are due this **Thursday, Mar. 7, at 11:59 PM**.
- **A sample exam and extra practice problems for midterm 2 are available on our calendar**. Giant disclaimer: sample exam problems are not meant to be indicators of exam problems. There is a chance that some exam problems may resemble some from the sample exam.
However, you should not expect the exam problems to be similar problems with changed numbers, or anything close to that.
