- Midterm 1 (this Friday, Sep. 21) covers everything through section 3.4.

- We have two homework assignments due this week: Webworks 3.3 and 3.4 are due this Wednesday, Sep. 19, at 11:59 PM.

- A sample exam for midterm 1 is available on our calendar. There is also an extra set of practice problems.

  Giant disclaimer: sample exam problems are not meant to be indicators of exam problems. There is a chance that some exam problems may resemble some from the sample exam. *However, you should not expect the exam problems to be similar problems with changed numbers, or anything close to that*.
