

# Announcements for Wednesday Oct. 10, Math 1553 A1-A6

- The quiz this Friday (Oct. 12) covers **4.2 and 4.3**.
- We have **two** Webwork assignments due this week: **4.2** and **4.3**. Both are due this **Friday, Oct. 12, at 11:59 PM**. However, they are fair game for this Friday's quiz, so I strongly recommend you complete them before Friday.
- Our second midterm will take place in recitation on Friday, October 19. It covers sections 3.5 through 4.4. However, everything we did prior to 3.5 is essentially prerequisite material for 3.5-4.4, so all of that material is fair game for the exam as it applies to 3.5 through 4.4.
- Later this week, I will post a practice exam and perhaps some other practice problems, with solutions to be posted on Monday, October 15.
