

Announcements for Monday Oct. 15, Math 1553 A1-A6

- Our second midterm will take place in recitation this Friday, October 19. It covers sections 3.5 through 4.4. However, everything we did prior to 3.5 is essentially prerequisite material for 3.5-4.4, so all of that material is fair game for the exam as it applies to 3.5 through 4.4. All of section 4.4 is fair game for the exam.
- We have **one** Webwork assignments due this week: [4.4](#), due this [Wednesday, Oct. 17, at 11:59 PM](#).
- I will post solutions to the practice exam, extra practice problems, and 4.4 supplement on Monday, October 15.
