

# Announcements for Monday Nov. 5, Math 1553 A1-A6

- The quiz this week covers **6.1-6.2**. It is our last quiz!
- **Two** Webwork assignments are due this week: [6.1](#) and [6.2](#). Both are due [Wednesday, Nov. 7, at 11:59 PM](#).
- Our third midterm will take place in recitation on Friday, November 16. It covers sections **4.5 through 6.5**. However, everything we did prior to 4.5 is essentially prerequisite material for 4.5-6.5, so all of that material is fair game for the exam as it applies to 4.5 through 6.5.
- Later this week, I will post a practice exam and perhaps some other practice problems, with solutions to be posted on Monday, November 12.
