

Announcements for Monday, Nov. 26, Math 1553 A1-A6

- We have **three** Webworks due this week:

- ① Eigenvalues in Engineering,
- ② 7.1
- ③ 7.2.

They are due **Wednesday, Nov. 28, at 11:59 PM.**

- We will also post Webworks for 7.3 and 7.5. However, those will only be for your practice. The Webworks for 7.3 and 7.5 will not be graded under any circumstances.
- There are **no more quizzes.**
- A sample final exam will be posted this Friday on our lecture's calendar. Solutions will be released during the Center for Academic Success's **study session** on Wednesday, Dec. 5 between 3 pm and 5 pm.
