

# Announcements for Monday, January 8, Math 1553

- Please read the syllabus carefully.  
**This week's office hours: Tuesday 1:00-3:30 PM only.**
- Before Friday at 11:59 PM, do the Warmup homework on Webwork (a link will eventually appear on Canvas). The *Warmup will not be graded*: its purpose is to make sure you can log in to Webwork and submit answers.  
**To enter " $\pi$ " in Webwork, type "pi" instead.**
- Enroll in Piazza (link on Canvas) using the email "(Your GT login)@gatech.edu".  
Within Piazza, enroll in the group for your lecture (A or C).
- Bring your smartphone or laptop to class in the future to answer Piazza polls. All that matters is participation, not correctness of the answer.
