The *Warmup will not be graded*: its purpose is to make sure you can log in to Webwork and submit answers.
***Webwork might not work initially, but it should be up and running in the next couple days.
- Enroll in Piazza (link on Canvas) using the email “(Your GT login)@gatech.edu”.
- Bring your smartphone or laptop to class in the future to answer Piazza polls. All that matters is participation, not correctness of the answer.
