

Announcements for Monday, Jan. 13, Math 1553

- ▶ The 1.1 Webwork is due this Thursday (Jan. 16) at 11:59 PM.
- ▶ Quiz 1 will take place this Friday (Jan. 17) in studio. It will cover the material through section 1.1.

All of our quizzes are 10 minutes long and take place *at the beginning of recitation*.

- ▶ The Piazza poll this Wednesday (Jan. 15) will be the first to count towards your participation grade.

All that matters for polls is that you answer them. You will receive a 1/1 if you vote and a 0/1 if you don't. We drop the 3 lowest polls, which means that you can get a 100% for poll participation even if you fail to vote for 3 polls.
