

Announcements for Monday, Oct. 2, Math 1553 E6-E9

- Quiz this week: 1.7, 1.8, and 1.9.
- Webworks for 1.8 and 1.9 are due this Wednesday, Oct. 4, at 11:59 PM.
- Midsemester progress reports will be available at 12 PM today. I posted a detailed announcement on T-Square describing how they were computed. Please remember that they do not go on your transcript and do not affect your GPA.
- This week: matrix multiplication, inverses, general matrix algebra; connection between compositions of linear transformations and matrix multiplication.
