

Announcements for Monday, Nov. 20, Math 1553 E6-E9

- **No office hours tomorrow** (Tuesday, Nov. 21). Instead, I will have extra office hours today from 1:30 PM to 3:00 PM.
- Makeup exam: today (Nov. 20) in Skiles 005, 5-5:50 PM (or 6-6:50 PM if first time is impossible).
- Webworks for sections [6.1](#), [6.2](#), and [6.3](#) are due next [Wednesday, Nov. 29, at 11:59 PM](#).
- Today's huge topic: orthogonal projections. Applications ranging from pure math to approximation methods, with geometric intuition helping to guide the way.
