

Announcements for Monday, August 21, Math 1553

- If you will miss September 22nd for Rosh Hashana, let me know **immediately after class today**.
- Please read the syllabus carefully.
- Before Friday at 11:59 PM, please do the Warmup homework on Webwork (linked from T-Square; if it is not available yet, it should become available later today). Its purpose is to make sure you can log in to Webwork and submit answers.
To enter " π " in Webwork, type "pi" instead.
- Enroll in Piazza (link on left column of T-Square) using your **T-Square email**.
Also, enroll in the group: **1553 E6 through E9**.
- Bring your smartphone or laptop to class in the future, to answer class polls. All that will be graded in class polls is participation (not correctness of the answer).
