

Announcements for Monday, August 28, Math 1553

- If you will miss September 22nd for Rosh Hashana, send me an email no later than Wednesday Aug. 30.
- Quizzes will be 10 minutes (rather than 15 minutes) in recitation. The quiz this Friday (Sep. 1) covers **lines and planes in \mathbf{R}^n** and **section 1.1**, but if a system of 3 equations in 3 unknown variables appears on the quiz, it will not be extensively long.
- Webwork for Section 1.1 is due Friday (Sep. 1) at 11:59 PM.
- Enroll in Piazza using your **T-Square email**.
Also, enroll in the group: **1553 E6 through E9**. To do this: log in to Piazza, click Resources, then click Groups.
- Key terms today: Consistent vs. inconsistent; row operations; row echelon and reduced row echelon forms; pivot.
